

Community Service Tutoring Class

On March 12th, 2012, Some of MCSchool's Junior and Senior students started to tutor Elementary Madame Germaine students that need support in the areas of Math, Reading and Writing. These classes take place Mondays and Wednesdays.

MCSchool's students were trained to be tutors as part of their Community Service actions.

Some Twelfth Grade students painted trash cans donated by the Arias Fondeur family for the Madame Germaine School.
